### **PUBLICATIONS**

1. David Huskey, Seth Behrens, and Wade Bartlett. "A Comparison of Light Detection and Ranging (LIDAR) Measurements to Accepted Industry Practices." Accident Reconstruction Journal, Volume 32, No. 3. (May/June 2022).

### **TECHNICAL CONFERENCES AND SEMINARS**

1. "Emerging Technology and Modern Investigations." Speaker. Hexagon Public Safety and Forensics Conference. Portsmouth, UK. 2025.
2. "Analyzing Timing Accuracy in Video Evidence." Training. Hexagon Public Safety and Forensics Conference. Portsmouth, UK. 2025.
3. "Application of 3D Data Utilizing Photogrammetry and Matchmoving in Accident and Shooting Investigations." Speaker. Hexagon Public Safety and Forensics Conference. Portsmouth, UK. 2025.
4. "The Optimized Field Retrieval of Audio-Visual Surveillance Media." Training. Hexagon Public Safety and Forensics Conference. Portsmouth, UK. 2025.
5. "Evidential Storytelling." Training. Hexagon Public Safety and Forensics Conference. Portsmouth, UK. 2025.
6. "Recon-3D Training and Certificate Course." Training. Recon-3D. 2025.
7. "Building Charts in Excel." Training. NAPARS. 2025.
8. "Introduction to Forensic Engineering and Accident Reconstruction." Speaker. Sierra Verde STEAM Academy. Glendale, AZ. 2024.
9. "Speed from Video." Training. Lightpoint. Virtual. 2024.
10. "Toyota Techstream and Bosch CDR Update." Training. SATAI Fall Conference. Glendale, AZ. 2024.
11. "Accident Reconstruction." Speaker. Experts University Conference. Centennial, CO. 2024.
12. "Response 2024 User Forum." Training. Driver Research Institute. Long Beach, CA. 2024.
13. "Recon-3D User Group Forum." Training. Recon-3D. 2024.
14. "Light and Medium Duty Trailer Design." Speaker. Knott Laboratory. Glendale, AZ. 2023.
15. "Ethics for Forensic Engineers." Training. National Academy of Forensic Engineers. 2023.
16. "Getting Started with Point Cloud Data." Training. Knott Laboratory. 2023.
17. "Introduction to Vehicle Accident Reconstruction and Available Vehicle Data." Speaker. PLRB 2022 Eastern Regional Adjusters Conference. Providence, RI. 2022.
18. "Advanced Photogrammetry for Collision Reconstruction." Training. Lightpoint Scientific, Tempe, AZ. 2022.
19. "Vehicle Accident Investigation and Reconstruction." Speaker. Bluegrass Claims Association. Lexington, KY. 2022.
20. "Event Data Recorder Use in Traffic Crash Reconstruction – Level 2." Training. Institute of Police Technology and Management. Scottsdale, AZ. 2021.
21. "Pedestrian/Bicycle Crash Investigation." Training. Institute of Police Technology and Management. Glendale, AZ. 2021.
22. "Accident Investigation, Reconstruction and Fleet Safety." Speaker. Western Energy Institute Fleet Conference 2020. Salt Lake City, UT. 2020.
