

CHRISTOPHER STEWART, B.S.

EDUCATION:

B.S. Civil Engineering, University of Texas- San Antonio, May 2026
A.S. Engineering, Houston Community College, May 2018

REGISTRATION:

ACI Technician Level 1

EXPERIENCE:

Civil Engineering Intern, Navistar/ International. Elmendorf, Texas, 2024
Quality Control Technician Lvl3, Icon Technologies, Austin, Texas, 2022-2024
Liaison, Texas Metal Specialty, Houston, Texas, 2021-2022
Project Coordinator, Reytec Construction Resources, Houston, Texas, 2018-2019
Assistant Project Manager, Mirador Builders, Houston, Texas 2015-2017

CONSTRUCTION ADMINISTRATION:

Mr. Stewart has experience supporting civil engineering and construction projects through field coordination, quality control, and design collaboration. His work has included assisting with site evaluations, conducting field measurements, and preparing documentation to support request for proposal (RFP) development and project budgeting. During His internship with Navistar, Mr. Stewart collaborated with engineering and planning teams to assess spatial constraints for facility expansions and coordinated with contractors and architectural consultants to deliver design documentation. At ICON Technologies, Mr. Stewart performed ACI- certified material testing to ensure compliance with engineered specifications for proprietary concrete systems used in residential construction, He contributed to projects with community impact and maintained quality assurance standards across multiple builds. While serving as a Project Coordinator, Mr. Stewart manages environmental compliance processes including SWPP reporting and ensures adherence to regulatory requirements set by TCEQ and EPA. He supported erosion control implementation and maintained documentation for regulatory inspections and audits. Mr. Stewart coordinated with various professions, HVAC, Plumbers, Pipefitters, etc. to design and produce custom metal products ranging from aesthetic, structural, and pressurized applications.

PROFESSIONAL AFFILIATIONS:

NSLS: The National Society of Leadership and Success
TSPE: Texas Society of Professional Engineers
